Got numeracy?

Collectively, the **seven** Harry Potter books have sold nearly **500 million** copies, making Harry Potter the bestselling book series of all time.

If each book cost £7.99, how much money will 500 million copies have made?

SAVE THE DATE

The main aim of **World Book Day** is to encourage children to explore the pleasures of books and reading.

If a child originally read 20 minutes a day, but this increased by 35% after World Book Day, how long does the child now read for in a week?
