Got NUMERACY?

A 350g Easter egg costs £3.85.

A 200g bar of chocolate costs £2.10.

The chocolate bar is cheaper, per 100g, than the Easter egg.
By how much?

An Easter egg is 15cm tall and has a diameter of 12cm.

It is to be packed in a cuboid shaped box.

What is the smallest volume of the box?
