All staff across the Trust are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating Discrimination

The Trust is aware of its obligations under the Equality Act 2010 and complies with nondiscrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Trustees, Local Advisory Board members and all staff are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

Heads ensure new staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September, and this is included in the Equality Plan.

Each school has a designated member of staff (normally the SENDCo) for monitoring equality issues, and an equality link Local Advisory Board representative (normally the SEND link representative). They regularly liaise regarding any issues and make senior leaders and Local Advisory Board members aware of these as appropriate.

5. Advancing Equality of Opportunity

As set out in the DfE guidance on the Equality Act, the Trust aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people connected by a particular characteristic they have (eg pupils with disabilities, or gay pupils who are being subjected to homophobic bullying).
- Taking steps to meet the particular needs of people who have a particular characteristic (eg enabling Muslim pupils to pray at prescribed times).
- Encouraging people who have a particular characteristic to participate fully in any activities (eg encouraging all pupils to be involved in the full range of school societies).

5.1 Publishing information about pupils

In fulfilling this aspect of the duty the Trust will, for every school:

- Publish attainment data for each school each academic year showing how pupils with different characteristics are performing.
- Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information.
- Make evidence available identifying improvements for specific groups (eg declines in incidents of homophobic or transphobic bullying).
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our pupils.

Relevant information about each school will be published on their individual websites.

5.2 Publishing information about staff

In addition to the information about pupils, we will consider how our activities as an employer affect staff with protected characteristics. As a Trust, we will publish information to show:

- The make-up of our workforce, with breakdowns of staff with different protected characteristics.
- Gender pay gap reporting and other pay equality issues.
- Recruitment and retention rates for staff with different protected characteristics.
- Applications for flexible working and their outcomes for staff with different protected characteristics.
- Applications for learning and development opportunities and their outcomes for staff with different protected characteristics.
- Grievances and disciplinary issues for staff with different protected characteristics.
- Policies and programmes in place to address equality concerns from staff.
- Information from staff surveys.

We will make sure that with any data we publish to show how we meet our equality duties, individual staff or pupils will not be identifiable. This means we may suppress some data if it relates to a very small number of staff or pupils to preserve their confidentiality.

6. Fostering Good Relations

The Trust aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of the curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English / reading, pupils will be introduced to literature from a range of cultures.
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute.
- Making sure schools work with their local community. This includes each school inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community.
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within each school. For example, school councils have representatives from different year groups and are formed of pupils from a range of backgrounds. All pupils are encouraged to participate in their schools' activities, such as sports clubs. Schools also work with parents to promote knowledge and understanding of different cultures.
- Developing links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop how they implement their approach.

7. Equality Considerations in Decision-Making

The Trust ensures it has due regard to equality considerations whenever significant decisions are made.

In all of our schools, we will always consider the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for all pupils irrespective of their gender

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

Equality Objectives

All staff across the Trust are expected to work to achieve the equality objectives.

The Head will, for their school, promote knowledge and understanding of the equality objectives amongst staff and pupils, and monitor success in achieving the objectives and report back to the Local Advisory Board.

Objective 1	Monitor and evaluate attainment levels and participation of all groups (undertake an analysis of recruitment data and trends in regard to race, gender and disability, and report on this to the LAB)	To achieve this objective we plan to monitor the progress of groups through our progress reports – three times a year. To record participation of extra- curricular activities which is reviewed by SLT. Use a proportion of our pupil premium funding to help cover the costs associated with accessing extra-curricular activities

Objective 2	Continue to make the schools inclusive environments, where all pupils and staff are welcomed and valued irrespective of gender, race, religion, sexuality, disability, ethnicity or background (ensure reasonable adjustment agreements are in place for all staff with disabilities)	To achieve this objective we plan to; Demonstrate through high expectations and operate consistent routines and protocols. Monitor through our ‘stakeholder voice’ exercises and to review at SLT meetings. Educate through our character and culture curriculum.
		Progress we are making towards this objective
Objective 3	Continually consider how well the school ensures equality of opportunities for all its pupils	To achieve this objective we plan to have as a standard agenda item during SLT and pastoral meetings.
		Progress we are making towards this objective

Objective 4	Increase the representation of staff from black and minority ethnic communities as well as those with disabilities	To achieve this objective we plan to use a range of platforms to advertise job vacancies.
		Progress we are making towards this objective
Objective 5	Train all members of staff and volunteers involved in recruitment and selection on equal opportunities and non-discrimination	To achieve this objective we will focus in our recruitment training.
		Progress we are making towards this objective
Objective 6	<p>Include the 'Two Ticks' positive about people with disabilities symbol on all job adverts, application forms and information, to help address the under-representation of people with disabilities in the school workforce</p> <p>Offer priority interviews for candidates with disabilities who meet the selection criteria, and ask if they require any reasonable adjustments for the interview</p>	To achieve this objective we plan to ensure our recruitment process asks key questions around reasonable adjustments.
		Progress we are making towards this objective
