

Post Results Services for Exam Candidates.

(Please note, due to GDPR protocols, this process must be undertaken by the candidate and not their parent/carer)

Post-Results Services are offered by all examination boards and provide candidates with the opportunity to have examination papers checked or reviewed if there are concerns about an awarded grade.

Details can be found on the JCQ website:-

In the first instance, candidates should discuss any concerns with their subject teacher or Head of Department, who can advise whether a clerical re-check or review of marking is appropriate.

Your teacher will ask you to apply for Access to Scripts so that they can check the marking awarded by the examiner.

To request a clerical re-check, review of marking or access to scripts, candidates must complete the relevant consent form. Please use the appropriate barcode below to link and this will be submitted to the Warneford Exams Office.
