

### Impact of Pupil Premium Strategy 2017-2018

There has been a significant improvement in school performance this year. Overall, the in Attainment 8 and Progress 8 is the highest it has been in the last 3 years. The achievement gap has narrowed to its smallest figure, in both measures, within school and national data. In 2018 the Pupil Premium cohort achieved an Attainment 8 score of 40.6 and progress measures have improved from -0.79 in 2017 to -0.23 in 2018. This is faster improvement than the progress in the rest of the cohort which is evidence that the work done this year has been gap reducing.
