Piano Lessons at Highworth Warneford School

Academic Year 2022-2023

Dear Parents/Carers,

I am an experienced, qualified music teacher with class teaching experience, a piano teaching diploma and a Certificate of Teaching from the Associated Board of the Royal Schools of Music. I have been teaching piano and keyboard at Warneford for approximately 18 years. Some students want to learn to play informally, to jam along with their friends, or to play along with their latest favourite songs. Others decide to work towards music exams and compete in local music festivals, and some have continued their musical studies onto university level.

My main aim is for my students to enjoy their experience of music-making as they acquire a range of musical skills which will hopefully stay with them for life. Alongside the main focus of specifically learning to play the piano, lessons also include a range of activities which develop important and transferable musical skills – aural development, technique, co-ordination, reading notation, and musical creativity.

Lessons take place during the school day on a weekly basis.

Lesson options	Cost per lesson
30 mins individual	£17.00
20 mins individual	£11.30

If your child is eligible for free school meals, the school may be able to provide financial assistance towards their music lessons.
