Swindon SEND Families Voice

**“Listening to Families, Working with Swindon Borough Council,
Making Services Better”**

Representing Parents and Carers of Children and Young People aged 0-25 with
Special Educational Needs and Disabilities in Swindon

Introducing a new forum in Swindon

(previously Swindon Parents & Carers Group)

We are a group of parents and carers of children and young people with SEND who will be giving the families in Swindon the opportunity to have their say on a range of issues that impact their everyday lives. By working together with you, our aim is to feedback your collective voices and work in partnership with our Local Authority and Clinical Commissioning Group to influence and strategically shape the way our SEND services are delivered.

We want to hear from you! What **IS** working well for you. What is **NOT** working well for you. Please email us at swindonSENDfamiliesvoice@outlook.com and join our mailing list so we can work towards a better outcome for our children.

“Our voices are better together”

“Swindon Borough Council are looking forward to building a great partnership between the Local Authority and Swindon SEND Families Voice, there are so many benefits we can see for everyone – this partnership is so important to make sure we achieve the best outcomes we can for and with our SEND children and young people”

Roz Pither - Strategic Commissioner Special Educational Needs and Disability (SEND)
