

Year 11 Homework Timetable

Homework tasks will generally take 45-60 minutes to complete. Students should expect regular homework tasks throughout the year, set roughly as follows:

Week A					Week B				
Monday	Tuesday	Wednesday	Thursday	Friday	Monday	Tuesday	Wednesday	Thursday	Friday
	English					English	Maths		

In addition, students will be set homework in their Options subjects as follows:

Weekly: Languages, Geography, History, RE, DT, Food, Child development

Week A: Sports Studies/Sports Science, Citizenship, Art, Digital Photography

Week B: Enterprise and Marketing, Computer Studies, Drama

Please note: the above is a rough guide to help students organise their independent learning. There will be times when it is necessary for teachers to deviate from the above schedule, such as when assessment tests are approaching, when inset days are scheduled or when unexpected school closures occur.
